4 corners allow one
tech to maneuver
through tight areas
or long halls.

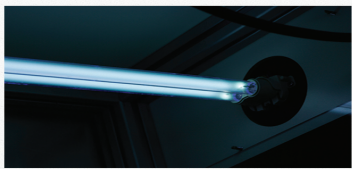

10" Android tablet with proprietary
Air-Care app allows wireless
control of the Bio-Cart.

Mounted front view camera.

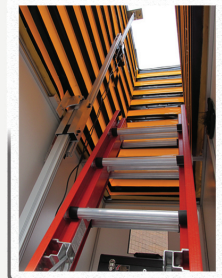

UVC/UVGI above the HEPA filter for
an added measure of protection
from biological contaminants.

LED Exterior lighting
Amber

Blue

The expanding and collapsing bellows are operated by
a power lift and maintain negative pressure in the work
area at all heights without "billowing" into the cart
when air scrubber is turned on.

Stands 6.5 feet when bellows are collapsed and reach a max of 13 feet with the bellows extended.
